##### Cm

175.26 W x 107.95 D x 34.93 H

##### Mm

1,753 W x 1,080 D x 349 H

This strikingly naturalistic coffee table design features a cluster of segmented brass spheres arranged in different sizes and heights, with some appearing suspended in space. The spheres are enveloped in artisanal hand-hammered brass and The top of the spheres are lined with Black Angola Granit which has been polished to perfection. Mimicking the reflective quality of water droplets in nature.
